# Aikido at the Center

Dear Parents,

Students in the Children's Aikido program will test \_\_\_\_\_. We will have a warmup and review on that day and then guests are welcome to watch beginning at \_\_\_\_\_pm. Our testing procedures include an application to test and the completion of the Good Citizenship form (for students testing for a new belt). Please note that **students, not parents, must fill out the Good Citizenship form** although parents are welcome to assist. **All paperwork is due** \_\_\_\_\_. Students and parents should be aware that:

1. Students are responsible for learning all terminology, traditions, exercises, and techniques required for their rank as well as requirements from previous ranks. If additional help is needed, the student is always welcome to request it from his or her Sensei.
2. Testing is intentionally challenging. Preparation for tests is part of what helps us grow as aikidoka.
3. Testing fees must be paid on or before the day of the test. If there are any financial issues, please contact Sensei.
4. Dues must be current.

Thank you and we are so looking forward to test day!
